

Dear all,

I hope you are doing well and hanging in there during these turbulent times.

As you should all know, your son's work should be on google classroom and they should be completing work every day. The link below will take you to the remote learning procedures for all year groups as well as other important information. If you are encountering any difficulties with this, please get in touch.

<https://www.fulhamboysschool.org/#info>

As well as supporting your son's education during this time, we are also keen as a school to help our boys, their families and the community in practical ways. This email outlines the ways we plan to do this.

### **1. Free School Meals**

If you qualify for free school meals, there are three ways we would like to provide you with a meal each day:

#### ***a) Supermarket vouchers.***

We are able to issue supermarket vouchers to enable you to purchase food for lunch. These will be issued by email to you this week and can be redeemed in store.

If there are more children in your household and you are not yet receiving support from other schools in respect of lunch provision, please let us know too.

#### ***b) Coming to Beaumont Avenue garden between 12:00pm and 12:30pm each day to collect a nutritious meal.***

#### ***c) Where possible, we would like to offer a meal delivery service***

Please can you let us know if you would want to take us up on any of these offers by filling in the form below. If it is Option C, please can you indicate where you would like us to deliver the food to. This may not be possible, but if we can, we will.

### **2. All boys**

We recognise that during this period, even families who do not qualify for free school meals need help and support. If you would like us to provide your son with a nutritious meal every day, please can you let us know. The options available to you are:

***a) To come to Beaumont Avenue garden between 12:00pm to 12:30pm to collect a nutritious meal, Monday - Friday.***

***b) A delivery service. This may not be possible, but if we can we will.***

Please can you let us know if you would want to take us up on either of these offers by filling in the form below.

### **3. FBS Food Bank**

As a school we are also keen to help our families, and would like to offer food and other necessities to those who need it. Our aim is to do this from Beaumont Avenue garden, once a week, on Mondays. This will be between 2:00 – 3:00pm.

Please can you let us know if you would want to take us up on this offer, and what is your preferred option by filling in the form below.

### **4. Community Food Bank**

We are also keen to help the local community, and would like to offer food and necessities to the most vulnerable in society. Again, our aim is to do this from Beaumont Avenue garden, once a week. This will take place on Fridays between 2:00 – 3:00pm. If you know of anyone who would benefit from this service, please fill in the form below with their details.

### **5. Your own Communities**

We would also like to encourage you to think of ways to help in your own local communities. Please find attached postcards. We ask you to only use these in line with Government guidelines. They are just an idea of a way you might want to help.

### **6. Other help you may need**

Please can you let us know if there are any other ways we can help during this time. There are lots of people who are keen to help, and who have offered lots of different ways they can do this. If you get in touch with us about something you particularly need (emotional, spiritual, practical) we will do our best to meet that need with the resources we have available to us.

Please can you let us know by filling in the form below.

**For points 1-6, please fill in this [form](#). If you have any questions about the form, or require further information, please contact [j.fialka@fulhamboysschool.org.uk](mailto:j.fialka@fulhamboysschool.org.uk)**

### **7. Mike and the team.**

Finally, a message from our school chef, Mike:

*To our Fulham Boys' mums and dads, We wish you all the best in these unprecedented times. It's only Tuesday and we already miss seeing the boys in school! As parents ourselves we are all in the same boat, keeping our children and families safe, both mentally and physically, while trying to maintain some kind of routine. We are working with the team here at FBS to ensure we do all we can to assist in these times of need. In addition to the proposals by the Headmaster we would like to offer parents a reasonably priced option to help feed their families in the form of a takeaway/collection service: homemade, hearty and healthy dishes, ready to cook in the oven. We understand that suddenly having to cater three family meals a day is not the easiest task, especially if you are working from home! We are still working on the logistics, but will be looking at taking orders initially with 24-48 hour notice with (no contact) collections on Monday to Friday . In addition, we are looking at the distinct possibility of relaunching Naked Nosh Takeaway, offering wholesome, homemade, healthy (and naughty!) food for home delivery through the usual channels to tickle your tastebuds! Wishing you all the best from all of us here. Mike & the team*

**Please can you let us know if you would want to take us up on this offer, and what is your preferred option by filling in this specific [form](#).**

Our aim is to offer this service from Friday 27th March and so please can you fill in the form by 12 noon on Thursday 26th March so we can plan accordingly. As far as we are able to, and the government allows, our intention is to offer these services Monday to Friday over the Easter holiday as well.

Cymer ofal,  
Alun
