

## Year 12: Remote Learning Procedures: *parental guidance*

<b>Psychology</b>	uxncxyy	<b>Drama</b>	hooaiov	<b>Music</b>	fmyd2yu

Work will be published at 8:30am on a Monday morning for the week ahead in all of the classrooms.

### Expectations:

- Students are expected to spend the same amount of time on each subject as they would at school. For example if they have 5 lessons of RE (250 minutes) then the work set will take this amount of time also.
- Students will be asked to submit some work every week (at a minimum) for their teachers to mark and feedback to them.
- Students will be able to email their teachers any questions they may have about their work. Staff will respond within the normal school working hours and within 24 hours of the email being sent. If a response is not given due to ill health then parents can email Head's of Departments or members of the Senior Leadership Team.

### We strongly encourage students to remember to carry out FBS activities at home as well:

- Where possible can there be some daily exercise? (see next page)
- Reading (#realmenread) - Please read this [link](#)
- Enterprise - how can our core values as a school still be demonstrated? Take a look at the Amnesty International website: <https://www.amnesty.org.uk/>
- Christian ethos - all boys will be invited to a Google classroom where thoughts, videos and articles will be posted on a regular basis. We hope these will be interesting and encouraging and, as always, boys are encouraged to learn, think, question and challenge.
- Make sure you look after your and your son's mental health and wellbeing. There is lots of helpful advice here: <https://www.mind.org.uk/information-support/coronavirus-and-your-wellbeing/> . Boys can also access online mental health and wellbeing support and counsellors at [www.kooth.com](http://www.kooth.com)
- 

### What could you ask your son about his work?

- What work have you been set that needs to be completed this week?
- Can you show me what you need to do?
- Do you have a list of everything you need to revise for this topic? Can you show me?
- Is there a 'best' way to revise this topic?

## Year 12: Remote Learning Procedures: *parental guidance*

- How will you memorise these things for your next exam?
- Are there some questions I can ask you to help test your knowledge?
- What do these questions look like in the A Level?
- Are there practice exam questions you can complete for this topic? How much time should you spend on them? Shall I time you?
- What other materials can you use to support your work in this subject?
