

Year 7: Remote Learning Procedures: *parental guidance*

All subjects have created revision classrooms and students have been invited. The classroom codes are:

English	5pggltu	French	vgcrtyu
Maths	f75ogvc	Spanish	iitloww
Science	akq3tl4	Computing	qftt3sq
Geography	4laica6	Art	kpqboer
History	o7suxfg	Drama	dofanht
RE	ka432gh		

Work will be published at 8:30am on a Monday morning for the week ahead in all of the classrooms.

Expectations:

- Students are expected to spend the same amount of time on each subject as they would at school. For example if they have 2 lessons of Geography (100 minutes) then the work set will take this amount of time also.
- Students will be asked to submit some work every three weeks (at a minimum) for their teachers to mark and feedback to them.
- Students will be able to email their teachers any questions they may have about their work. Staff will respond within the normal school working hours and within 24 hours of the email being sent. If a response is not given due to ill health then parents can email Head's of Departments or members of the Senior Leadership Team.

We strongly encourage students to remember to carry out FBS activities at home as well:

- Where possible can there be some daily exercise? (see next page)
- Reading (#realmenread) - Please read this [link](#)
- Enterprise - how can our core values as a school still be demonstrated? Take a look at the Amnesty International website: <https://www.amnesty.org.uk/>
- Christian ethos - all boys will be invited to a Google classroom where thoughts, videos and articles will be posted on a regular basis. We hope these will be interesting and encouraging and, as always, boys are encouraged to learn, think, question and challenge.
- Make sure you look after your and your son's mental health and wellbeing. There is lots of helpful advice here: <https://www.mind.org.uk/information-support/coronavirus-and-your-wellbeing/> . Boys can also access online mental health and wellbeing support and counsellors at www.kooth.com

What could you ask your son about his work?

- What work have you been set that needs to be completed this week?
- Can you show me what you need to do?
- How long do you think you should spend on this work?

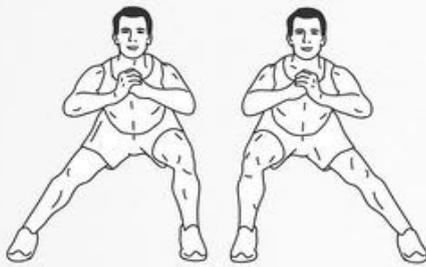

Year 7: Remote Learning Procedures: *parental guidance*

- What is the most difficult thing about this work?
- Is there any extra reading or research you could do about this topic?
- What is the most interesting thing about this topic?
- How can I help?
- When is the deadline to send it to your teacher?

MATRIX

workout

"I KNOW KUNG FU"

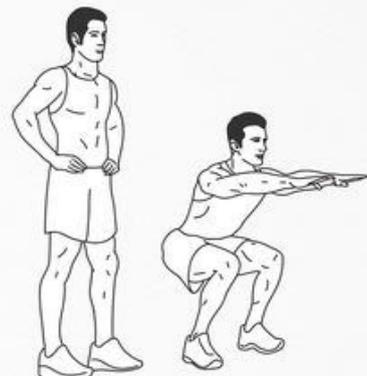

20 side lunges

40 high knees

10 fast drop squats

40sec one leg stand

20 forward leg raises

20 planks w/ rotations

sets level I 3 sets level II 5 sets level III 10 sets **rest between sets** up to 2 minutes
