Aspirations Afternoon – Wednesday 21st November

Mr Maddison is still looking to recruit visitors for our annual Year 9 Careers Aspirations/ Speed-Networking event next Wednesday 21st November from 1pm to 4pm, but also to establish where else people might be able to get involved at FBS. This might be in helping teachers to make careers links, attending business lunches etc.

Could I please ask you to complete [this](#) brief survey to establish where you might be able to get involved.

Online Safety Evening -Tuesday 27th November

At 5.15pm on 27th November we will be hosting Jake Butterworth, local authority Prevent Manager, who will be here to outline the school's responsibility around the safeguarding area of Prevent. A significant focus of the talk will be on online safety, where Jake will highlight some key tips to keep your children safe when online.

Google Classroom Parent Drop In - Thursday 29th November

There will be a Google Classroom drop in for parents on Thursday 29th November from 5.15pm to 6pm. This will be an opportunity to ask any questions that you may have about Google Guardians or your son's Google Classroom.

Speakers with a STEM Career

Our STEM careers club on Mondays, period 8, is seeking guest speakers to talk about different career routes with boys and advise them on related education choices and skills. Whilst the talks are very valuable and appreciated by boys, it can be difficult to secure visits at this time of day.

If you know anyone working in careers within science, technology, engineering, maths and computing, willing to give 40 minutes of their time, in person or via Skype, please fill in [this](#) form. Ms Santos will then liaise with your contact from then on. Sessions about careers can be a real boost for boys forming their own career identity and find, many times, a clearer purpose.
