## **Welcome to GCSE Evening**

Thank you to all those year 10 parents who attended Wednesday's welcome to GCSE evening. It was great to see so many of you and to have the chance to share the key information about your son's GCSE courses with you. Ms Johnson will send a follow up letter to all year 10 parents tomorrow. In the meantime if you are struggling with anything related to your son's Google classrooms please email Mr Kuddus [m.kuddus@fulhamboysschool.org.uk](mailto:m.kuddus@fulhamboysschool.org.uk).

## **Sixth Form Welcome Evening**

We are very excited to host our first Sixth Form Welcome evening next Tuesday 24th September. The evening will be held at Beaumont Avenue between 6pm to 7.30pm. This is the chance for Sixth Form boys and you as their parents to get together in an informal setting as a welcome to post-16 education. There will be drinks and nibbles as well as the

chance to meet and speak with the form tutors, Head of Sixth form, SLT and the individual subject teachers. You will find out the important dates for the year, when exams will be etc as well as the start of the UCAS process and how to support your son with his studies.

### **Year 11 Academic Fitness Test Results**

The first year 11 report will be published on the Parent Portal next Friday 27th September. This will outline the results of the recent academic fitness tests and a brief statement about the action required by your son in each of his subjects in order to progress further. The first parent consultation evening for year 11 will be taking place on Wednesday 6th November when you have the chance to speak in detail to all of your son's teachers.

### **FBS Careers Opportunities**

Part of our responsibility to our pupils is to ensure that they are prepared for life after education. Throughout the year, pupils learn from a wide range of career opportunities involving people from a variety of backgrounds. Students will also attend careers speed-networking events and work to develop business enterprise skills and knowledge of a range of possible careers and industries. We would be delighted if you would be able to assist us in this [FBS Careers Opportunities Google Form](#). Currently there are 3 main areas we are looking at:

#### **→ FBS Working Lunches**

This term we are inviting people to join pupils for a 'working lunch'. Over school lunchtime, you will sit with a group of pupils and engage in an informal discussion based on your career path, work experience and general work and interest related questions. This is designed to be a relaxed approach to engaging our pupils in conversation with people from different areas of work.

#### **→ FBS Speed Networking**

Taking place on Friday 29th November, from 1.30pm to 3.20pm. This afternoon will be an opportunity for professionals from a range of industries to speak to our Year 9 pupils. Boys will ask a wide range of questions to find out more about the wide range of careers.

#### **→ Work Experience**

This enables pupils to help shape their thoughts and ideas about future subject choices, apprenticeships, universities and careers. This will be available to boys in Years 10 to 12.

If you have any questions please do not hesitate to contact Miss Emily Fryer our Sixth Form and Enterprise Admin Assistant: [e.fryer@fulhamboysschool.org.uk](mailto:e.fryer@fulhamboysschool.org.uk)
