## **Reminder of a cancelled INSET**

Monday 28th September is a normal day at school for all students in all year groups.

This day was originally an INSET. However this changed in order to prepare students further for the year ahead.

Can I please ask all parents that they continue to support their son's education by helping in assessment preparation and ensuring that attendance and punctuality is 100%.

### **Year 11 Mock Exams - Monday 28th September to Friday 2nd October**

The cancellation of Summer 2020 GCSE and A-level exams and the highly regulated process of submitting Centre Assessed Grades highlighted the importance of solid and accurate attainment data the schools hold for each student. It is therefore vitally important that every Year 11 student completes all of his Mock examinations next week.

As a school, we follow the Government's guidance in preventing Covid-19 spread and have robust systems to minimise risk of infection for our students and staff.

We encourage all Year 11 students to share the responsibility in ensuring the school has a well documented record of their academic achievements. Thank you and Good luck!

### **Message from Friends of FBS - Kick off Meeting and AGM reminder**

A reminder that the Friends of FBS Kick off Meeting and AGM will be held via zoom on Wednesday 30th September, 6.45pm.

Friends organise activities such as the annual quiz, the summer 'FBStival' and staff celebrations. We lay on social events and reach out to the wider community through fairs and fundraising. We're continually adding new events and finessing old ones, and they all rely on YOU as Friends to make them happen. We appreciate our ambitious schedule will be affected by COVID-19 so we'd love to have your ideas and input on how to build and strengthen the FBS community remotely.

However much or little you can get involved please join the meeting, everyone is welcome! If you have any questions email [friends@fulhamboysschool.org](mailto:friends@fulhamboysschool.org).
